

Workshop Qualifies for 6 CE Hours Rapid Identity Assessment

by Elda Schwartz, Marilyn Maze, and Lee Richmond

Shorten and enhance the initial client interview using the Photo Metaphor Card Sort (PMCS). Help clients identify and explain their most important issues. Participants will learn to administer the PMCS and draw out client narrative. This fun and insightful tool can be used in most counseling settings from school through clinical, and in HR settings. Experiential activities in working with clients will provide training in the many ways to help clients to verbalize their inner wishes and dreams. Price of workshop includes a deck of cards and lunch.
